

# Intel compiler has been upgraded on ...

---

[rsyed](#) 27 posts since

Oct 18, 2007 A new version of the Intel compilers have been installed on Discover. Please let us know your experiences with this new version, if it has solved any of your outstanding problems, provided better performance, or not.

The note from Gene Gooden, Discover sysadmin:

We have installed new Intel Fortran, C, Compilers and new MKL

comp/intel-10.1.013

lib/mkl-10.0.2.018

We will retire in a couple of weeks the following:

comp/intel-10.0.023

comp/intel-10.0.025 Tags: discover, intel, compiler, upgrade
